abhaydharmale9@gmail.com

EDUCATION

Pratibha College of Commerce and Computer Studies,
Chinchwad — *BSC(Computer Science)*

2020-2023

CGPA - 8.25

Bharat English School & Jr. College, Shivajinagar — HSC

2018-2019

PROJECTS

Frontend Clone(1) —

<https://abhay-dharmale.github.io/sidcupfamilygolf/>

I've created the front-end clone of the award winning website
<https://sidcupfamilygolf.com/> from <https://www.awwwards.com/>

I've used HTML/CSS, JavaScript for creating web pages and for smooth animations I used GSAP library with SmoothScrolling(Locomotive).

Frontend Clone(2) —

<https://abhay-dharmale.github.io/cynthiaUgwu.com/>

I've created the front-end clone of the award winning website
<https://cynthiaugwu.com/> from <https://www.awwwards.com/>

I've used HTML/CSS, JavaScript for creating web pages and for smooth animations I used GSAP library with SmoothScrolling(Locomotive).

Blog Website(3) —

I've created this Full Stack Blog Website using MERN stack technology. Here, the user can sign-up and sign-in with authentication. To create and edit the blog post I've used react-quill editor library. The data is displayed as per the user. If a user isn't signed up yet, he/she can see all the posts; if a user has logged in, he/she can see or edit and post their own posts. Also users can add the images to the posts.

SKILLS

HTML/CSS, JAVASCRIPT,
GSAP

MERN Stack

MS Office Applications, Git
and GitHub

Computer Literacy
(Windows/Linux)

CERTIFICATES

Certificate of Completion of
DSA using C++ and Python
Programming Bootcamps
from Developer Student
Clubs(Google) and AWS

Full Stack Web Development
Certificate from Udemy

Certificate of Participation in
AI for India Event from GUVI

LANGUAGES

English, Hindi, Marathi
